A Message from SHE+

SHE+ is dedicated to supporting research projects and educational initiatives to ensure women everywhere can live healthy, fulfilled lives. To date, SHE+ has awarded over \$2.5 million with the help of our sponsors. We would like to thank our sponsors for their generous donations, our Board of Directors for helping us to raise awareness on a local and national level, and our Medical Advisory Board for their guidance in making decisions to further our mission.

We could not have reached where we are today without the support of each and every one of you.
